

Fortis College, Columbus, OH

Dear Current or Prospective Student,

The Ohio Board of Career Colleges and Schools requires that institutions inform students of their placement and graduation rates for each of the preceding three years as well as the most recent Ohio state licensure results, if applicable, for all programs.

Placement Rates

The reporting period is July 1 through June 30. Placement statistics are calculated per program. Placement benchmark is a minimum of 70% per program.

The placement rate is determined by using the ABHES required method of calculation, for the reporting period, as follows:

$$\text{Placement Rate} = (P) / (G-U)$$

P = Placed graduates

G = Total graduates

U = Graduates unavailable for placement

Placed graduates are defined as those employed in a position wherein the majority of the graduate's job functions are related to the skills and knowledge acquired through successful completion of the training program. Placement information is verified with the employer.

Unavailable is defined as students are who are unavailable for employment and fall into one of the following categories: health-related issues, military obligations, incarceration, continuing education status, or death. As a result, students may be excluded from the rates listed below.

Graduation Rates

Dates used for the graduation rate calculation will cover class start dates prior to the calendar period shown below. The graduation rate information is compiled based on students who started their program between 9/1 and 8/31 for a defined cohort period. The dates are determined based on program length in months and allow for students to complete the program within 1.5 times the program length. As an example, the 2025 column represents students who started their program between 9/1/22 and 8/31/23, the 2024 column represents 9/1/21 through 8/31/22, and the 2023 column represents 9/1/20 through 8/31/21. Graduation rates are calculated by dividing total graduates by students available for graduation.

State Licensure Results

The state licensure results are provided by the applicable state regulating board. These are compiled based on the most recent results available for the calendar year displayed.

<u>Program</u>	<u>Degree Type</u>	<u>Employment Rate</u>			<u>Graduation Rate</u>			<u>State Licensure</u>
		<u>2025</u>	<u>2024</u>	<u>2023</u>	<u>2025</u>	<u>2024</u>	<u>2023</u>	<u>Test Results</u>
Heating, Ventilation, Air Conditioning, and Refrigeration	Diploma	63%	75%	76%	35%	53%	49%	
Medical Assisting	Diploma	76%	71%	76%	54%	59%	40%	
Nursing	Associate	79%	91%	83%	33%	35%	39%	81%
Practical Nursing	Diploma	89%	100% (21/21)	85%	13%	17%	12%	100% (31/31)
Radiologic Technology	Associate	75%	78%	92%	45%	53%	50%	
Surgical Technology	Associate	100%	100% (6/6)	100% (13/13)	39%	41%	33%	

The rates are made available for the purposes of satisfying the State of Ohio Board of Career Colleges and Schools, and are not to be construed as advertising. Further details are available, upon request.

For examples of types of employment obtained by our graduates, please review your catalog and/or consult with your Career Service's office.
